STATEMENT OF WORK

BACKGROUND: The Bureau of International Narcotics and Law Enforcement assists the Government of Ukraine in improving its law enforcement agencies' effectiveness. To support the newly created and reformed police unit – Migration Police, the vendor is required to provide printers, as specified below.

REQUIREMENTS: A vendor is required to supply off-the-shelf printers that meet minimum mandatory requirements specified below. These minimum requirements shall be clearly stated in the technical documentation that comes with these products and in the devices' settings.

The proposed equipment must be new, high-quality, officially imported to Ukraine or made in Ukraine. All devices must be compatible with standard Ukrainian voltage (220-230 volts) and have C (European) or F (Schuko) plug type.

The offer must include all costs associated with the products and door-to-door delivery.

WARRANTY: The vendor must provide minimum one-year warranty for the requested equipment. The vendor must repair or replace the equipment during the period of the warranty.

VALUE ADDED TAX: This is technical assistance project (VAT exempt).

DELIVERY AND DEADLINE: The requested equipment must be delivered to the National Police warehouse at 27, Sviatoshynska Str., Kyiv, within 2 months from contract award.
